AABO  IDEAL

we know how
... to E-coat

E-coat is the most effective surface treatment of metal products.

E-coating protects both as a primer and as a single-layered surface.

E-coat is highly economical and an environmentally friendly way of coating.

As a leading supplier of painting lines, we deliver e-coat solutions to all types of industries:

-  Automotive Parts
-  Home Appliances
-  Aluminum Profiles
-  Indoor and Shop Equipment
-  Agricultural Machinery
-  Job Coaters
-  Off Highway Machinery

AABO  IDEAL
Supplier of Finishing Lines Worldwide

When surface is everything...

As a leading manufacturer of industrial finishing systems we develop, plan, produce, deliver and install turnkey solutions from components across smaller manual lines to complete large-scale lines.

We have the privilege to work with and supply almost all industries.

AABO  IDEAL
Supplier of Finishing Lines Worldwide

Industrial surface treatment systems at their very best

As one of the very few suppliers in the surface treatment business, we have a 100% in-house production of our lines. With a production of more than 100 plants a year and close to 4800 lines installed worldwide, we are one of the world leading producers of industrial surface treatment solutions.
